Lacquer

Finishes play a very important role in the ever-changing world of design, function and form. Estelle's market-leading products and finishes are sought after by architects, interior decorators, stylists and discerning home owners. As a result, new finishes are being made available all the time.

Estelle Certified Installers carry samples of all the latest finishes. Sample images can also be found at [www.estelle.com.au](http://www.estelle.com.au)

Actual finishes may vary from these images. Ask your Estelle Certified Installer to see real samples of the actual finishes available.
